

PORSCHE 987 CAYMAN

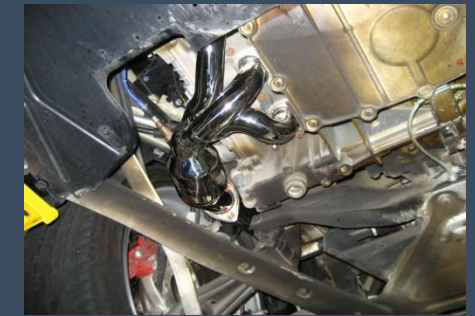

2005 Porsche Cayman with Fabspeed's performance package: headers with 200 CPSI sportcats, dual canister Maxflo mufflers with polished tips, BMC air filter, and an ECU upgrade.

2005 Porsche Cayman with Fabspeed's Ver. 2 Maxflo exhaust and a high performance BMC air filter. This system bolts directly to the stock headers or any aftermarket header system designed to fit like OEM.

2006 Porsche Cayman S with Fabspeed's performance package (Ver. 2 Maxflo mufflers, headers with 200 cell German imported sport catalytic converters, dual polished tips, and air intake system).

2005 Porsche Cayman S equipped with Fabspeed's new Ver. 2, dual canister exhaust and polished tips. We also installed a BMC air filter for cleaner engine breathing.

PORSCHE 987 CAYMAN

Porsche 987 Cayman with
Fabspeed's Ver. 1 single-can
Maxflo muffler and dual polished
tips.
