

LAMBORGHINI Gallardo & Murcielago

2006 Lamborghini Gallardo with Fabspeed's Carbon Fiber muffler and 200 cell sport catalytic converters. Power increased by +28 HP and this exhaust saved 46 lbs. from the rear of the car.

2004 Lamborghini Murcielago equipped with Fabspeed's 200 cell primary catalytic converters, 2ndary catbypass pipes, muffler bypass pipes, and large 4.5" tips. We also designed a Maxflo muffler and all products work with OEM for tailored sound.

2004 Lamborghini Gallardo with Fabspeed's dual canister Maxflo mufflers and catbypass pipes. Major increase in exotic sound and performance.

2004 Lamborghini Gallardo equipped with Fabspeed's dual canister Maxflo mufflers and catbypass pipes with secondary valve bypass pipes.
