
It all began with an iPhone...

March was when my son celebrated his 16th birthday, and I got him an **iPhone**.
He just loved it. Who wouldn't?

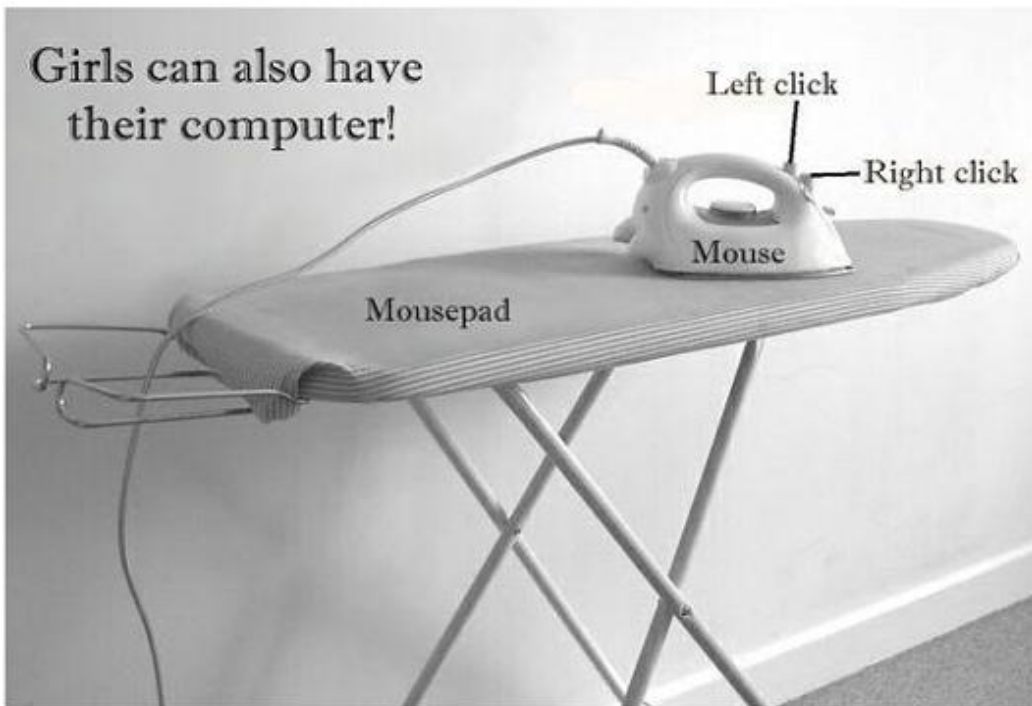

I celebrated my birthday in July, and my wife made me very happy when she bought me an **iPhone**.

My daughter's birthday was in August so I got her an **iPhone Touch**.

My wife celebrated her birthday in September so I got her an **iRON**

It was around then that the **BIG** fight started.....

What my wife failed to recognize is that the **iRON** can be integrated into the home network as I calmly explained with the **iWash**, **iCook** and **iClean**!

This inevitably activates the **iNag** reminder service!

I should be out of the hospital by Monday
